## **TECHNICAL BULLETIN** **No. TBPHP01-2017**

Date: January 18, 2017

To: All Kuriyama of America, Inc., Piranha Sewer Hose Distributors

From: Brad Smith, Sales Manager – Piranha Hose Products

Re: New Hydraulic Swager

We are excited to inform you that we are now offering a new Hydraulic Swage Machine from Piranha Hose Products. This **new** swager offers many new features that are beneficial to the operator, such as:

Current (soon to be former)

New

### **New** Swager Features:

- This new machine is supported with a complete list of replacement parts.
- Improved base stability which is sturdier, providing ease of use when swaging.
- Unit's construction is 18 lbs. heavier versus the previous model, leading to more durability.
- Ergonomically designed handle, making it more user friendly and portable.
- "No tooling change", this new swager utilizes the same top hat dies and pushers as the previous model.
- Best of all, it's the same price as the previous model.

The Hydraulic Swage Hose Mending Machine has been approved by Piranha® Hose Products for use in the repair of Thermoplastic Sewer Cleaning Hose. Piranha® sewer cleaning hoses, in ID sizes 1/8" – 1 1/4", can be repaired or mended using this machine, contingent upon use of proper dies, pushers and adaptors.

All sewer hose and repair fitting tools are manufactured to the National Solid Waste Management Association (formally WEMI) standards. To protect against PERSONAL INJURY OR DEATH, inspect and repair sewer hose only pursuant to and in compliance with NSWMA standards.

When mending sewer cleaning hose, the hose, the mending equipment, the swage and crimp equipment, including dies and fittings, MUST be of the same manufacturer. The use of end fittings and assembly tooling other than that supplied or recommended by Piranha® Hose Products is at the sole risk and liability of the user and voids all Piranha® Hose Products warranties.

Please continue to refer to [www.kuriyama.com](http://www.kuriyama.com) for our latest product, crimping and swaging data updates! If you have any questions, please consult your local Kuriyama of America, Inc. Representative or Customer Service at (847) 755-0360.
